1 inch Lanyard

At Fabrica MNL, we understand that schools, universities or even corporate clients require top-notch solutions to represent their esteemed institutions. Our new range of custom lanyard materials are crafted to offer the ideal balance of quality and resilience. Presenting our best seller options: Glossy, Matte, and Subli Cotton materials.

GLOSSY MATERIAL

Our glossy lanyard material not only shines brilliantly under any light, but also stands the test of time. Crafted to embody refinement and flair, these lanyards are best choice for lanyards that do not get stained easily.

MATTE MATERIAL

For a classic type of lanyard, our matte lanyard material is your choice. Its velvety texture and muted sheen offer a unique tactile experience. The understated charm of these lanyards complements the academic or corporate environment perfectly. Definitely one of our cost efficient lanyard of choice.

SUBLI COTTON MATERIAL

Experience the pinnacle of customization with our subli cotton lanyard material. These lanyards serve as a canvas for your institution's creativity, allowing vibrant colors and intricate designs to come to life. Unlike glossy and matte material, our subli cotton captures intricate designs, colors and gradients without visible threads. This is a perfect option for designs with small details and with pantone specific requirement.

3/4 inch Lanyard

Our range of quality 3/4 inch or 0.75 inch lanyard materials make most of our client's brand standout. Featuring our three material options: Glossy, Matte and Subli Cotton material - all which are best sellers across our corporate clientele.

GLOSSY MATERIAL

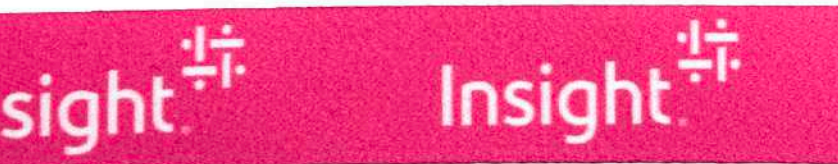

Make a bold statement with our glossy lanyard material, designed to capture attention and embody professionalism. The glossy finish not only radiates sophistication but also boasts durability, ensuring that your brand's essence shines through every interaction.

MATTE MATERIAL

Our classic matte lanyard material is a favorite for most corporate. With its velvety texture and cost efficient price, you can now elevate your brand with these lanyards that speak volume in subtlety.

SUBLI COTTON MATERIAL

Unleash your creativity with our subli cotton lanyard material, a canvas for your brand's unique identity. Because of the white based material, we recommend this lanyard for designs with pantone specific requirements or with small details that need to be captured on print. A full color back to back printing is also recommended for this type giving it a more premium look and feel for your brand.

Backed by a dynamic team providing you an ultimate solution for custom merchandising.
